at FIITJEE Indore Centre

I am Kartik Patekar, a student of FIITJEE Indore ICP-2016 and have also joined AITS-2016.

I joined FIITJEE as it provided a stage for all India level competition and exposure. I have appeared in FTSE-2015 exam.

I joined the ICP program and got a fee waiver due to my various achievements in KVPY, olympiads, etc.

I gained a lot in FIITJEE during my program which helped me a lot to revise all the concepts just before the final examination.

Proper training of concepts here helped me to develop problem solving ability which is pre-requisite for IIT-JEE and other exams.

AITS, GMP & RTPF gave me sufficient practice to prepare for exam and boosted my confidence level.

Now I feel confident about cracking IIT-JEE and other competitive exams & securing a good rank in JEE-advance 2016

Other Achievements :

- KVPY Fellow

- Qualified NSEC
- Qualified RMO

I am Ritesh Goenka, a student of Three year classroom Program at FIITJEE Punjabi Bagh centre. The goals that I have achieved is due to the rigorous teaching system and specialised efforts by faculty members at FIITJEE Punjabi Bagh centre.

I had an interest in Mathematics from an early age which motivated me to choose IIT-JEE as my aim, for which I knew that FIITJEE was the right place to go. I appeared for FTRE in class IX and joined FIITJEE in January, 2013. The batches at FIITJEE consisted of a small no. of students so that personalized attention could be given to each and every student. The classroom environment was highly competitive and long healthy discussions often took place.

Before joining FIITJEE, I cleared NTSE in class VIII. In class XI, I cleared KVPY with an AIR-10. Also in class XI I qualified RMO and INMO. In class XII, I qualified NSEA and NSEC. There were regular mock tests for each of these exams which provided an exam like environment.

Various test series like Rank Booster Test Series, Rank improvement Test All India Test series and All India Internal test series helped me to check myself at each stage of my preparation. Special tests like weekly tests, monthly tests etc. were also conducted for specific topics. During the last phase of my preparation, I did the previous year IITJEE papers.

I would like to thank my parents, faculty members at FIITJEE Punjabi Bagh and the FIITJEE system for my success in JEE Advanced 2016. I owe my success to FIITJEE Punjabi Bagh.

My name is Soumya Sharma. I joined FIITJEE South Delhi Centre for Two-Year Classroom Programme in class XI on the recommendations of several of my friends.

The level of teaching in the classroom was very high and the competitive environment motivated me to work harder. The teachers taught the concepts well and cleared all my doubts. They guided me on how to study and attempt exam papers. The study material provided by FIITJEE was very good and had challenging problems. The regular phase tests and later the AITS Test Series increased my confidence and speed.

While at FIITJEE, I cleared INMO, NSEC and ZIO.

I would like to thank my parents for their continued guidance and support. I would also like to thank the faculty and fellow students of my batch.

For future students, the key to success in competitive exams and success in life is planning time sufficiently well and following the schedule strictly.

I joined FIITJEE in class IX on the recommendation of my seniors and seeing the past records of FIITJEE.

The classroom environment at FIITJEE was worth admiring and the healthy competition among students encouraged me to work harder.

The faculty at FIITJEE is highly qualified, supportive and focuses on building concepts and clearing doubts. The study material provided by FIITJEE was complete in all respects.

Phase Tests, Ai²TS, AITS which were held regularly helped me to improve my examination temperament. As these were held on an All India level, I could assess my preparation and make the required changes in the way I study. Regular CPP's, assignments and quizzes also helped me a lot. Thank you FIITJEE.
